A Great Team in Action... We Serve!

May 2005-2006

Prez Sez By King Lion Sam

We started off the month of May by electing officers for year 2006-2007 which will become effective the first of July. Congratulations to the following: President Bob Schlauch, 1<sup>st</sup> V.P. Lion Russ Melrath, Secretary Lion Cal Hook, Asst. Lion Mickey Cook, Treasurer Lion Bill Neimiller, Asst. Lion Dan Mihalisin, Lion Tamer Lion Bill Morison, Asst. Lion Bob Bertram, Membership PP Dick Waughtal, Bulletin Editor PP Dick Waughtal, 2 year Directors PP Cal Denis and Lion Luke Martin, 1 year Directors PP Jack Lorden, PP Jim Stone and Lion Joe Diehl, Permanent Director PDG Noble Simpson.

On May 2<sup>nd</sup> we met with Lion Ash Ashinhurst of Lord Baltimore Lions club, to discuss results of Vision Screening follow-up calls. Calls to parents of children that were referred to see a doctor for possible problems, was completed with the help of a neighbor Laila Skofteland who speaks Spanish, results were documented.

On May 3<sup>rd</sup> we had our Budget

Committee meeting at my house and discussed the 2006-2007 Budget. We decided on a budget to present to the board of directors for approval.

On May 4<sup>th</sup> we attended officer training at the Caesar Rodney High School located at Camden, DE. We had a buffet dinner and then went to our classroom for training which ran about one hour. I would recommend all new officers to attend this training. Training is offered for 12 different officer positions. It's very important to understand what jobs are needed to run each club.

On May 8<sup>th</sup> my wife and I attended the Spring Concert at Indian River High School where at half time our Leo Club made a donation of \$200.00 to the school for the purchase of a display case on behalf of FILC.

On May 9<sup>th</sup> our Scholarship committee met and interviewed seven potential candidates for the FILC John Furlow 4 year \$1000.00 each year Scholarship and one of our 4 memorial \$1000.00 scholarships. On May 18 Lion John Furlow awarded the following scholarships at Indian River High School (See pictures and additional write up on page 3).

Congratulations to all the winners and thanks for a great job by our scholarship committee! Thanks to Lion John Furlow, Lion Scott Fornwalt, PP Bob Pretty and other members of this team PP Cal Denis and Lion Ross Lyon.

May 15, at our regular meeting our Scholarship committee chairman Lion John Furlow was honored for his years of service on this committee by renaming the FILC four year scholarship to FILC Lion John Furlow Scholarship with unanimous Board of Directors approval.

We were saddened with the death of our beloved Lion Charles Hyatt; FILC had our Lions Memorial Service at Hastings Funeral Home on May 18, 2006. Our sympathies go out to Anita, members of the family, fellow Lions and friends.

The Multiple District Convention in VA had some hotel problems but overall we had a good time. Attendance has fallen off but we look forward to next year. Some of the outstanding highlights were The Necrology Service where we honor those who have passed on since the last convention. The seminar on Lions Vision

## News from the Lions Den

**ILLions:** Again, it's with great sadness we note the passing of a really great Lion, our own: Lion Charlie Hyatt-Past FILC President. Lion Charlie was a long time member of our Board of Directors and major Club contributor! He will be missed. We're sure the entire Club joins us in extending our deepest condolences to his wife Anita and family. Please keep her and other "Friends of Lions" and all our "walking wounded

Lions" going through life's changes in your prayers.

As we always note: Please let PDG Lion Noble Simpson (539-3734) know of any Lions or family that could use a "thinking of you, please get well" or a little pick me up card nudge to remind them we are thinking of them. Our sick members appreciate your thoughtfulness, as does your editor. Thank you so much!

**2006 Multiple District 22 Convention:** Well this years convention is history, For the Lions and guests that attended it was a informative and fun time (with a couple of important exceptions, hotel wise that is). One important piece of administrative news was, for the very first time in convention history for District 22 D District Governor Ralph Schieferstein inducted a new Lion. Shown below is New Lion Donna Waughtal being inducted by DG Ralph. Quite a smile, really! Oh, I forget... your editor is prejudice. Lion Donna joins other new Lions, Jean Bertram, Muriel Mooney and Fran Pretty who also became Lions recently.

**Preschool Eye Screening Results:**

Back on May 16 Lions' Ash Ashinhurst and Dick Waughtal visited Sussex County Head Start Program Location at Stockley Center (Bldg: W-2 & W-3) Preschool to witness just some of the great results our Lions Zones Preschool eye screening produced.

Altogether, members of FILC and Lion Ash with others from our Zone and District screened 900 children and referred 119 for further examination this Lions Year. Altogether 51 preschool children have new glasses as a result of this program. If you have interest in helping in the future see King Lion Sam or Lion Dick Waughtal for further information.

Also, shown: Central Sussex Hispanic Club Lion Doris Gonzalez (local Head Start Director) and Lion Margarita Gerten. L-r: Children are, Ashley Lopez, Christopher Garcia,

Dulce Bartolon and Andy Lopez (two of the children hadn't received their glasses at the time of the picture).

Please send \$14.00 per person and put your selection of either Fish or Steak in remarks. This allows us to give the number of meals to the Restaurant. Please send by 6-1-2006.

There will be entertainment and awards given.

Since 1917, Lions clubs have offered people the opportunity to give something back to their communities. From involving members in projects as local as cleaning up an area park or as far-reaching as bringing sight to the world's blind, Lions clubs have always embraced those committed to building a brighter future for their community.
