Prez Sez By King Lion Bob

Fall is always of paramount importance to FILC. We have several major Fundraisers and several major "Party Time Events".

We've just completed a very successful Basket Bingo Fundraiser which is described starting below. Thanks to all that helped! Our Community will be the big beneficiary.

We undertake our 20th Annual Spaghetti Dinner on Saturday November the 4th. Many FILC Members will work along side LEO's and other guests. This is a big one for us. Please participate in some capacity.

The committee has been out working hard to get sponsors to pay for the food. Unless you have worked on this committee, you won't believe the amount of time and effort it takes to visit these local businesses with the follow up calls that are needed when the owner or manager is not there on the initial visit. They have now obtained enough sponsors to pay for the complete cost of the food and supplies. Our Chairman, Lion Bill Morison, now tells me that he believes that he has enough Lions and Leos signed up to cover the help that will be needed on the day of the event.

THERE IS STILL TIME! Please get out there and sell your tickets. All of the friends and neighbors that buy tickets from me say that they thoroughly enjoy the dinner. Remember, the Board gave you the summer off from selling car raffle tickets. Since we have covered the cost of the food and supplies, every dime that we make selling tickets will go to our charities. We are going to list the name of every member that sells 10 or more tickets on an honor roll in our November newsletter. To be honest, I would not have been on the honor roll the last two years. But I am going to be on it this year. We really need your help. Please turn in all unsold

tickets to Lion Bill Morison by November 6th. Thanks again for your help on this one.

Other events occupy our time in the Fall. Coming up we have our 20th Charter Night Celebratory Dinner on November 20 at Harpoon Hanna's. This will be a wonderful event with a great dinner an super Harpoon Hanna's food and music by "Imagine". You have to attend, you'll kick yourself for not going!

We would not, of course, forget the always delightful evening at our Annual Christmas Party & Dance. We have the always popular Bob Hughes Music and the good food at Bear Trap Dunes. Sign up will be upon us before we realize.

Our District 22 D Walk For Sight was successful outing for the District but we could have used a few more members at this event. See the picture on page 4.

New members are critical to our continued important support to the needy in our community! Bring'm In!

Yours in Lionism, King Lion Bob

Well, we've "shifted" more than the logo above... our recent Club effort has paid off! The results of our Longaberger Basket Bingo Fundraiser are in... \$4,000.00 to the good!

Read about all the good work and see some pictures on page 3.

"Editorial Comment": Newsletter Renewal!

Our Club is a wonderful expression of many members desire to help our community, including , yours truly. No doubt its what sustains this old "No See Um". But times they are "Ah Changin" as the song says and so will the "Lions Roar".

Please step forward and let your Ed. know if you wish to be the "Main Lion Editor" type! If not please go out and recruit a new member that wants to be Bulletin Editor! And *Please* let me know ASAP! *Your Editor.*

News from the Lions Den

ILLions:

Our Treasurer, Lion Bill Neimiller is doing fine... All is right with our world! So, let's keep a smile on our face and put all those we know of, who are associated with our Club, who are of the "walking wounded" type, in your prayers. Please keep PDG Lion Noble

Simpson (539-3734) informed of any Lions or family that could use a "thinking of you, please get well" or a little pick me up card nudge to remind them we are indeed thinking of them. Our sick members appreciate your thoughtfulness, as does your editor.

Thank you so much!

There's Still Time!...Sell Your Spaghetti Dinner Tickets & Come Work!:

The members listed below are signed up to help with our Spaghetti Dinner Fund raiser. We thank them for their service and our LEO'S and other guests who worked.

If you are not listed and want to work on Saturday November 4, 2006.

Please Call Lion Bill Morison Fund Raiser Chair and add your name!

TEACHER: George Washington not only chopped down his father's cherry tree, but also admitted it. Now Alex, do you know why his father didn't punish him? ALEX: Because George still had the ax in his hand.

Remember... Our Basket Bingo effort was not about Bingo, it was & is about making a difference in millions of peoples' lives throughout the world.

IPP Sam Mooney reports: Our Basket Bingo to raise funds for our Campaign SightFirst II Program was a great success. With your support and donations we are happy to report we raised over \$4,000.00 to date. Donations are still coming in from our members. If you have not made your donation, please do.

One person's sight is restored for each \$6.00 raised, this translates to helping over 650 people so far.

Thank you, Thank you, Thank you, to all the workers the night of the Bingo. A special thank you to Martha Stone for putting together all the wonderful baskets and Jean Bertram for her beautiful Lighthouse Afghan.

Thank you to the following businesses and friends of the Fenwick Island Lions Club for their donations to fill the baskets, door prizes, tie breakers & Chinese Auction Items:

Just in case you missed our recent September meeting, here is Fellow Lion Jack Coxe and his new Leaderdog... Riker!

Lion Jack spoke about & demonstrated his new "Jaws" computer program that permits him to operate efficiently on his machine.

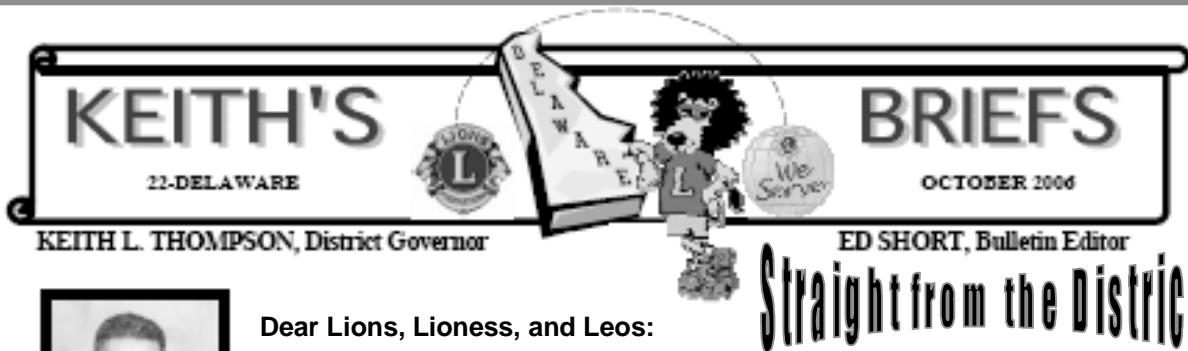

It was a "Magical" meeting!

Monster Mile @ Dover Downs

Most of FILC missed the District "Walk For Delaware" on October 8th but not: Lions Jim Miles & wife Carolyn, IPP Sam Mooney, and one intrepid LEO & Prez Bob Schlauch

Some More "Idle Thoughts of a Retiree's Mind"... They told me I was gullible... and I believed them. Teach a child to be polite and courteous in the home and, when he grows up, he'll never be able to merge his car onto the freeway. Experience is the thing you have left when everything else is gone. One nice thing about egotists: they don't talk about other people. My weight is perfect for my height -- which varies. I used to be indecisive. Now I'm not sure. The cost of living hasn't affected its popularity. ... *To be Continued some more.*

Dear Lions, Lioness, and Leos:

Is your Club suffering from the Same Old Same Old Blues? How about Shifting the Paradigm from the Blues to Purple and Gold? Is your Club instituting new or improved Community Service Activities, Fund Raisers, Meeting Changes or Public Relations Images in you local community? Is your Club considering a new Fund Raiser project to assist LCIF in raising funds for Campaign Sight

First II? These are all suggestions on how your Club can get out of the Same Old Same Old Blues and Shift that Paradigm.

While on our official visitations we are seeing the Power of the Shift. Clubs are excited about making changes and generating a Club Renewal Feeling. Lions are becoming more and more proud of showing their colors out in the community and letting everyone know that "We are the Lions" and "Hear us ROAR"!

Speaking of Shifting and Roaring, I am counting on the Lions of 22-D to supply between 300 and 400 registrants for the 2007 MD 22 Convention to be held at Dover Downs Hotel and convention Center. While we will be attending the Convention, NASCAR may be conducting test runs of the Car of Tomorrow at the Monster Mile. So watch for the hotel package information to come out in December as only 150 rooms are blocked for the Dover Downs Hotel. Room rates will \$125.00 per night plus tax. So don't be like we usually do and wait until the last minute. Get those registrations in early, otherwise you may be shut out of the Headquarters Hotel.

I had the pleasure of representing the District in a new joint project with the Bank of America (formerly MBNA). The Bank of America installed 50 Eyeglass Collection Boxes at their campus just north of Newark. They conducted the collection over a fifteen-day period and collected more than 160 pair of eyeglasses. It was a nice start to a project that I would like see expanded to encompass all of their facilities in the Wilmington area as well.

When we travel on our official visitations we try to inspire the Lions of District 22-D and answer many of their questions. One question that none of our group knew the answer was the availability of alternative forms of the Lion magazine. We have since learned from Lions International that the Lion magazine is available in Braille and also on audiotape, by request, free of charge. A large print version is not available yet, but we seem to have hit a home run on this request. Working with International Director Joe Gaffigan we may see a large print version of the Lion magazine become a reality.

There are a couple of fast approaching deadlines. The first is the submission of the Peace Posters from your Clubs to the Cabinet by mid November. The second is the submission of the Family Dues application form to Lions International by November 30.

Finally, in our official visitations we have heard discussions regarding fundraisers in a "perceived service area" of another Club or Sub-District. It is only common courtesy to seek permission of the King Lion and or District Governor of the "service area" that your Club desires to conduct a Community Service project or fundraising activity. As in life and in any relationship, good communication now will solve many problems down the road. **Keep Shifting: Keith**

It was a test! Everyone's eyesight failed! Nobody reads this thing!
The August issue was really the September issue... So there!
And if you can read this writing you're probably OK! Your Editor.

The Board of Directors meets the fourth Monday of the month at 4:00 pm in Fenwick Island Town Hall—all members are welcome and encouraged to attend.
