Elizabeth Steele- Secretary

October 8, 2014

Dear Members of the Fenwick Lions Club,

I wanted to take this opportunity to thank you for the assistance that your organization provided to the staff and students at the Georgetown Kindergarten Center. Having members of your club spend three days with us to test the eyes of our 349 students is invaluable to us. Your organization may not realize that the majority of our students are not native English speakers and qualify to receive free or reduced meals while attending school. Therefore, for many of our young learners a visit to the eye doctor has not occurred in their lifetime. Again, your visit provides valuable information to the nurse, the parents and the staff. Also, your willingness to fund appointments and glasses is incredible!

We cannot thank your organization enough for the support that it provides to our students. It is also a pleasure to see the devotion of your members and the excitement in their eyes as they work with these youngsters. It is apparent that they are truly interested in helping those who cannot help themselves and are motivated to carry out the Lions mission of Vision.

Thanks again!

Janet Hickman

Principal
