

President's Message

Summer is here and to many that means VACATION time—no more work and free time to do what ever you fancy.- read a book, lie on the beach, sit and watch TV, even just do nothing. That is not a Fenwick Island Lion. They are working on gathering donations for the 25 cent Auction/Paddle Party, collecting cans, looking at the schedule so they can sell 50/50 tickets to the summer visitors and delivering Meals to the elderly. A Fenwick Island Lion is always thinking of ways to raise money and how best to use that money to help their fellow man.

July and August will be spent selling tickets to both the 25 Cent Paddle auction and /or the Halloween Parade 50/50. Both of these projects will raise a great deal of money if we all participate and do our assigned jobs. A schedule for the selling of Halloween 50/50 chances will be mailed to all and Martha, Fran, Bruce, or I will call and request your assistance at the Auction. If we do not call with a particular job we still are looking for you to attend as a bidder and participant. Both projects are good venues for talking with the general public about Lions and will offer an opportunity to recruit new members.

King Lion Jean and Fran confer at the Ladies Day luncheon, while Theresa faithfully records the minutes of the meeting.

So- Fellow Lions plan on taking a vacation when you retire from Lionism... And, do have a wonderful summer!

YIL

LEO Awards Party

On Friday, June 1st, we hosted an end of the year awards party for the LEOs in the cafeteria of Indian River High School. Lions Jim and Carol Miles recognized, thanked and presented a small token gift to LEO Club Advisor Lonnie Riley, who is stepping down after many years of service. King Lion Jean presented those attending with 'Certificates of Appreciation' for each of the service projects they participated in this year. And, new club Advisor, Laura Quillen suggested that members and officers be thinking about service projects they may wish to undertake in the coming year. Additionally, each member was presented with a long-sleeved LEO Club shirt. Refreshments followed, featuring soda and homemade cookies, thanks to a number of Lions and spouses.

Officers for this next year will be President- Gopika Lakshmanan, Vice President - Rosie Gale, Secretaries - Jessica Gude & Delany McMullen, Treasurer - Brooke Pendergast and Historian/Webmaster - Amanda Roadarmel.

New LEO Club Assistant Advisor Amy Hughes shares a moment with outgoing Club Advisor Lonnie Riley.

Selbyville Old Timers Day

Saturday, June 16th was a picture perfect day—blue sky, with a few clouds off and on, in the low 70s and no humidity. And, did it bring out the crowds to see the beautifully restored automobiles, trucks, tractors, police cars and the horse drawn hearse!

We had an extraordinary day selling hot dogs and beverages... we ran out and had to replenish our hot dog supply three times... and we prepared and sold 296 hot dogs that day! And, thanks to the generosity of Food Lion on Rte 54 who donated the beverages and thanks to Hockers who donated 100 hot dogs and rolls, we made a handsome profit. We also got off to a great start in selling our Halloween Parade raffle tickets!

For the first time, we were asked to sponsor one of the awards and Charlie and Lou Lamb selected a 1957 red Thunderbird (shown below) to receive it. Many thanks to all who helped!

The Ramp Committee Does it Again!

Sam Mooney, Chair of our Ramp Building Committee, reports the completion of yet another ramp—this one a major construction undertaking requiring considerable coordination, pre-building of sections offsite and taking some 110 man-hours to complete.

Lowes Home Center of Millsboro agreed to provide a considerable discount for the materials—which the homeowner paid for, than Sam, Paul Ravilious, Fred Moreland, Wayne Holler, Bob Schlauch, Jim Stone and Don Stewart went to work to complete the project. Quite an accomplishment and team effort! Thanks to all who participated.

Delaware Special Olympics

The 42nd annual Special Olympics Delaware Summer Games, took place June 8-9 at the University of Delaware. More than 750 athletes and 80 unified partners (peers without disabilities) participated in six sports -- aquatics, bocce, powerlifting, softball, tennis and track & field. Over 1,000 volunteers from the sponsoring companies and the community came together to provide the people-power necessary to make the games a success.

On Friday, Lions from around the state hosted an “Opening Eyes” vision screening process for all athletes. This included a complete eye exam administered by a combination of Lion & LEO volunteers, as well as professional eye care specialists. In addition, those athletes requiring glasses were given new prescription eye glasses. Lions Bruce & Sharon and LEO Club members Marisa Lowe and Amanda Roadarmel were part of the team and the LEOs helped the athletes choose suitable frames for their glasses and also administered a depth of field vision exam. A rewarding experience for all involved!
