Pre Sez By King Lion Bob Pretty

May

The highlight of the month was the Lions Convention in Virginia Beach. We had a nice group who attended and we all had a great time. We all met for lunch at the Lynnhaven Fish House restaurant. While we were eating, International President, Clement F. Kusiak and his wife stopped at this restaurant for lunch and came over and welcomed all of us.

At the President's Parade Lunch, I received an award and was told that FILC is the top club in our district of 37 clubs. Four other clubs were also recognized. Clubs are only as good as its members and we have the best members. Our club also received other awards that are listed in this newsletter. These awards belong to all of our members. I want to thank Lion Sam and his wife Muriel for making all of the arrangements at the Cavalier. Thanks to Lion Jim and his wife Martha and Lion Joe and his wife, Jean and my wife, Fran for hosting the hospitality room. Also, thanks to all of the members who brought goodies for the hospitality room.

The saddest part of the month was hearing the news that Fellow Lion Bob Insley had passed away. Lion Bob devoted over 40 years to Lionism, most of which were served in the Washington DC area. He was a hard worker, loyal Lion and a friend. Our Club will sorely miss him.

The Scholarship Committee met and chose four students to receive scholarships. The winners and amount each received are featured in this publication. Thanks to John Furlow who chaired the committee.

The Pancake Breakfast on June 4 kicked off the busy month of June. Thanks to Bill Morison for chairing this event and thanks to all of you who came out early in the morning and worked.

Our June 6 our Ladies Day Meeting is going to be a great day. We will also be handing out some awards.

News from the Lions Den

ILLions:

Lion Bob Insley PCS has passed on Saturday the 14th of May to his just rewards. He will be remembered for his many contributions to our club and to his community. He served Lionism for over 45 years. FILC recognized his service to Lionism in our traditional "Rose Ceremony". King Lion Bob Pretty remarked on his many accomplishments in service Lionism at his viewing Tuesday May 17th.

Also, our special "get wells" to Bob Jones, Jack Lorden, Bob Meyer & Bob Bertram! All of whom seem to be doing better. And that is good!

We note once again, fellow Lions, please call Florence Becker at (436-2124) with updates and inclusions. Our sick members appreciate your thoughtfulness, as does your editor. Thank you so much!

As we pointed out last month: The Greater Millsboro Chamber of Commerce and the Town of Millsboro are hosting the **56th Delmarva Chicken Festival** which will be held in Millsboro. This is a huge fun-filled salute to the Delmarva poultry industry. Lions Bob Schlauch and John Pitman are in charge with assistance from 1st VP Lion Sam Mooney. Please contact them to indicate the job you'd like to have to help.

This is one of the biggest commitments (and compliments) that FILC has undertaken and it is going to require lots of coordination and assistance from all of our members. A schedule is being prepared and you will be contacted. Please help Lions Bob, John & Sam and sign up for a task.

There are many jobs that need to be done and there is something for each of you to do e.g. we man the giant fry pan (holds over 800 pounds of chicken) and we need at least 24 adults of good mind and sound body for this task to cover 3 shifts/day for 2 days, there is also the serving line, set-up and clean-up, ticket sales and take-out, just to name a few.

Upwards of 30,000 people are expected if the weather is good! So we should make enough money to take the heat off other fund raisers. *Jump In & Help our TEAM!*
